NOTE It is recommended that zoning approval (A) be obtained prior to scheduling or requesting other inspections.

If/when the facility receives all necessary approvals, you are to contact the Child Care Licensing Office for an initial licensing inspection with the Senior Child Care Licensing Inspector.

Upon approval, your Child Care License will be mailed to you. (Operating a child care facility prior to approval is a direct violation of Florida State Statutes and the Hillsborough County Ordinance.)

Once you obtain your Child Care Licensing, the law requires that you also obtain an occupational license from the Occupational License Department in your respective jurisdictions. (You may need a city and a county occupational license.)

NOTE Ongoing inspections will be conducted by:

1. Fire Marshall
2. Child Care Licensing Office - In accordance with Hillsborough County Ordinance or as often as deemed necessary.
3. Health Department

Section 865.09, Florida Statutes, requires all business operating as a fictitious entity to register with the Clerk of Circuit Court, intentions to operate "under a fictitious name."

SINCE PUBLIC NOTICE IS REQUIRED, YOU ARE ADVISED TO CONTACT THE CLERK'S OFFICE AS EARLY AS POSSIBLE.

Contact: Clerk of Circuit Court Records Department
Hillsborough County Courthouse
419 Pierce Street, Room 114
Tampa, FL 33602
Phone: 276-8100 Ext. 7804

Once licensed, you will be assigned an inspector who will perform all inspections and will assist you with licensing procedures and necessary technical assistance. Your inspector will be your contact with the Child Care Licensing Office. Contact him/her as often as you find necessary.
