

**PERMISSION FOR HILLSBOROUGH COUNTY TO LOCATE AND MAINTAIN
LOW PRESSURE SEWER SYSTEM (LPSS) FACILITIES ON OWNER'S PROPERTY
Existing Structure Converting from a Septic Tank**

The undersigned owner(s) ("OWNER") of the property with the following address and legal description has made application for connection to the Hillsborough County South County LPSS:

Owners:

Address:

Folio#:

Legal Description:

This form is permission for the County to locate, construct, and maintain facilities **(tank(s) and lines, underground electricity, and control panel)** necessary to connect the property to the County's LPSS. Owner understands and agrees to the designation of the facilities as follows:

County owned facilities: all low-pressure mains, connections to the low-pressure mains, tank(s), effluent pump(s), control panel and electrical wiring up to the TECO meter electrical disconnect for the LPSS system.

Property owner facilities: gravity sewer line(s) from the building to the tank(s) and electrical wiring from the building to TECO meter disconnect for the LPSS system.

Property owner understands and agrees to the following:

1. The County owns all the County facilities listed above.
2. The County is responsible for maintaining County owned facilities listed above.
3. The County is responsible for restoring owner's property to original condition after construction.
4. Property owner facilities are the responsibility of the property owner.
5. The Property owner shall not drive on or park any vehicle on the LPSS tank.
6. The applicant shall be responsible for the cost of any damage or corrective actions required by the Utility to maintain the County's on-site LPSS facility.
7. The Waste Water billing shall commence two weeks after your tank is installed.
8. The estimated tank installation time would be twelve (12) weeks from:
 - a. The applicant's completion and submission of the signed and Notarized form (and)
 - b. The payment of all impact and connections fees to the Utility.
9. The applicant shall not sub-divide the parcel and the parcel shall remain residential use.

Current Sewer system failing: Y or N (Please circle)
