SUBJECT: **SIGNATURE PAGE FOR DESIGN EXCEPTIONS AND DESIGN DEVIATION
MEMORANDUMS**

This bulletin requires a signature page to be attached to all Design Exceptions and Design Deviation Memorandums to allow for the Engineer's signature and seal to be applied to the document. This bulletin supplements Transportation Design Bulletin PW-HCDM 21-13.

REQUIREMENTS

Use the signature page template for all Design Exceptions and Design Deviation Memorandums submitted to Hillsborough County. The Engineer of Record must fill out the signature page template with relevant project information, place seal in the area indicated, and then attach it as the first page of Design Exception or Design Deviation Memorandum identified in Transportation Design Bulletin PW-HCDM 21-13. The signature page template is shown on Page 3 of this bulletin.

BACKGROUND

The Design Exception and Design Deviation Memorandum templates do not adequately provide sufficient room to insert the required full size seal.
