TRANSPORTATION DESIGN BULLETIN 22-04

DATE: September 14, 2022

TO: County Director of Engineering & Operations Department,
County Director of Capital Programs Department,
County Manager of Construction Services,
County Director of Transportation Maintenance Division,
County Project Managers, and Project Engineers of Record

FROM: County Engineer,
County Director of Technical Services Division

COPIES: County Director of Performance Data and Analytics Department

SUBJECT: HILLSBOROUGH COUNTY STANDARD DETAILS

This bulletin announces the requirement to provide applicable Hillsborough County Standard Details at the end of Construction Plans. The Key Sheet will also include a link to the Hillsborough County Website for Standard Details.

REQUIREMENTS

All applicable Hillsborough County Standard Details must be attached to the end of Construction Plans. Details are to be used "As-Is" without modifications. Identify all County Details used in the project at the end of the plan sheet list under the Key Sheet's Index of Roadway Plans. The Index of Roadway Plans should include the Standard Detail's sheet Index numbers and the first line of the Standard Detail's Sheet Description.

Location of details are referenced on the Standard County Key Sheet in the lower left hand corner immediately below the Governing Design Standards Statements. A Key Sheet is provided on the County's website with the following statement and website: "Hillsborough County Standard Details and General Notes are available at the following website: <https://www.hillsboroughcounty.org/en/government/county-projects/consultant-cip-project-resources/standard-details-and-project-plan-sheet-templates>".

The Standard County Key Sheet with the above notes, and the County Standard Details are provided on the Hillsborough County Website at the following location: [Hillsborough County Public Works Standard Details and Project Plan Sheet Templates](#).
