1. **PURCHASE PRICE.** Full purchase price of \$ _____ is payable in cash to Seller upon delivery of a County Deed.
2. **TITLE INSURANCE.** Title insurance, certified to date, may be obtained by Buyer. In the event that title to the Property is not marketable for any reason, or contains title defects, covenants, restrictions or encumbrances which are not acceptable to Buyer, then Buyer shall notify Seller and Seller shall have a period of one hundred twenty (120) days after receipt of such notice within which to cure defects in the title to the reasonable satisfaction of Buyer (and/or Buyer’s attorney or Title Insurance Company), and then this sale will be closed within ten (10) days after notice of such curing to the Buyer. Upon Seller’s failure to correct said defect(s) within the time limit aforesaid, or election not to do so, then Buyer may elect to terminate this Contract for Purchase and Sale (“Contract”) and all rights and liabilities hereunder, or Buyer may accept such title as Seller can convey and close this transaction in the same manner as if no defect had been found. If Buyer elects to terminate this Contract, all rights and liabilities of the parties arising hereunder shall terminate, except that those obligations of Buyer which require performance subsequent to termination shall remain enforceable against Buyer.
3. **CLOSING DATE.** Subject to the aforesaid curative period, this sale shall be closed and the County Deed shall be delivered on or before sixty (60) days from the date of this Contract as approved by the Board of County Commissioners (“BOCC”), and Seller agrees to deliver possession of said Property to Buyer on or before the closing date.
4. **SURVEY.** Buyer, at its option, at least ten (10) days prior to closing, may procure a survey of the Property prepared by a surveyor registered in the State of Florida. If the survey, which shall be certified by the registered surveyor, shows any gaps, overlaps, encroachments, or other survey related defects on the Property, the same shall be treated as a title defect and handled in accordance with Paragraph 2.

5. **COSTS.** Buyer shall pay for recording the County Deed and all documentary stamps associated with this transaction. Seller shall be responsible for recording the deed within fifteen (15) days after the closing. Seller shall not be responsible for a commission or brokerage fee, nor be liable to any realtor or broker for any commission or brokerage fee, as a result of the sale of the Property.

6. **INSPECTION PERIOD.** Commencing on the date that this Contract is approved by the BOCC and continuing for forty-five days (45) thereafter (“Inspection Period”), Buyer and its agents shall have the right to enter the Property, upon reasonable notice to Seller, from time to time, and perform any and all inspections, investigations, tests, analyses and audits (“Tests”) as Buyer desires to determine the condition of the Property. Buyer agrees to repair and restore any physical damage caused by such Tests and shall indemnify and hold Seller harmless from and against any claim, cost, charge or expense, including reasonable attorney’s fees, arising from or resulting from such Tests or the performance thereof. If, in the good faith opinion of Buyer, the results of any such Tests indicate that the Property contains hazardous materials or waste, other pollutants or contaminants, or unstable subsurface conditions, then Seller shall be given an opportunity to correct such condition. The time period for curative action on the part of Seller shall not exceed one hundred twenty (120) days, unless otherwise extended by Buyer. If the Property cannot be made suitable, as reasonably determined by Buyer, within the time period aforesaid, then Buyer shall have the right to terminate this Contract by giving written notice to Seller on or prior to the expiration of the Inspection Period. If Buyer elects to terminate this Contract as provided for herein, all rights and liabilities of the parties arising hereunder shall terminate, except that those obligations of Buyer which require performance subsequent to termination shall remain enforceable against Buyer. Should the Buyer elect not to proceed with this Contract, copies of all Tests (including surveys, boring reports and other engineering studies) shall be provided to Seller.

7. **PRORATED EXPENSES.** Taxes, rents, insurance premiums and interest shall be prorated as of the date of delivery of possession. The cash payment shall be increased or decreased as may be required by the proration of said items.

9. **RESERVATION ON INTEREST.** Pursuant to Section 270.11, Florida Statutes, the County Deed shall contain the following described reservation: Saving and reserving unto the Seller and its successors, title to an undivided three fourths (3/4) interest in all phosphate, minerals, and metals that are or may be in, on or under the Property and an undivided one-half (1/2) interest in all petroleum that is or may be in, on or under the property] *
